... sub company it not display in
- In multi-company, In admin deeshboard we admin
  Provide which user to access that only
  display inside admin page, not in manager
  ✓ sub inside sub has to not proper back button. Page.
  ✓ The sub company's user not display in admin
  page.
  ✓ also check for pdf
  - In admin dashboard, assign user to company in admin deshboard
    Page, do support for both mode, light
    & also do company Hierarchy access dark
  - Global search also not VOAGE-L
    work GLZ Plus
  - when open Preview for image, video there add option

when
company

in
ter.
main
folder
gain

also
stop.

so it is
on server.
